### "OUR TEDDY"

This year, the anniversary of a pioneer era, it seems to us that it is only fitting that we dedicate this annual to one who since his graduation has consistently and devotedly pioneered in the field of student-alumni relations and has contributed so much toward the betterment of our school and the happiness of our students.

TEDDY OHMSTEDE, lovable alumnus of Liberty High School has always been one man we could count on for support, and his presence at the high school sporting events, dances, etc., is as welcome as his big friendly smile. Teddy's contributions this year are typical. During football season he was almost a daily visitor to the practice field and his strong encouragement was no small factor in landing the league championship. Teddy also bought the Varsity 22 new pairs of pants. He did it quietly, without fuss, and more important, he did it voluntarily because that's the kind of a guy he is.

Above we have listed just one of his memorable deeds. But for every one we could mention, there are literally dozens which he has contributed quietly and continuously and from which some student or the whole school has benefitted.

Yes, TEDDY OHMSTEDE, the students of Liberty are very happy and proud that you are one of us in heart and in spirit, and it is with the deepest gratitude and affection that we dedicate this Annual to you.

1. Must be gal's tag. 2. Wa-lll! 3. Oa-la-la! 4. Sufferin' catfish! 5. The tooter who tooted the flute. 6. What's so cute? 7. First prize for this dog. 8. How to **keep** a man. 9. Marvin! 10. Masters of Music. 11. Pepsodent ad. 12. That guilty look. 13. "Guess we told 'em!" 14. Cootchy Goo!

#### PRINCIPAL'S MESSAGE

This Annual summarizes by word and picture a year's achievement at Liberty. Through the wholehearted effort of faculty and students much has been accomplished for which we all may well feel proud. With this spirit of loyalty to each other and to our school and with the continued support of the people of our district, we can feel certain that Liberty's future achievements will match those of the past.

Mr. B. J. Callaghan

Here it is—the story of you and your friends, and of the hard work and events that have served to enrich your life in this past school year. We sincerely hope that you enjoy the additions which were made possible this year and that this publication will bring a wealth of memories to you in the years to come.

## FACULTY

We Liberty students certainly appreciate our teachers. Besides doing their utmost to "edicate" us, they display a willingness to help us by being advisers, counselors and, best of all, our friends. Yes, sometimes teachers do cause us embarrassment or discomfort, but not without just cause.

We realize that our activities, clubs and entertainment would not be possible without the advice and ready cooperation of the teachers. They can be just as young as we are, too. Remember the clever skit the women teachers enacted for the Hi Jinx, girls? The Casaba Cavalcade was hilarious with the mock basketball game between the men teachers and the Junior team. Another "clowning" event of the year was the basketball game between the women faculty members and the girls' team. Among the most important of their accomplishments is the newly formed Parents Club, which has met regularly to improve the general welfare of the school.

This year our faculty was enlarged by the addition of Mr. Walker, Mr. Schuttish, Mr. Draper, Mr. George, Miss Mitchell, Miss Curran, and Mrs. Soderstrom. At the beginning of the second semester Miss Ganton replaced Mr. George in the dramatics department.

### A Backward Glance

The time has come for us to part from dear ol' Liberty and our many friends. (We guess we have a few.)

We will leave with many memories of our high school days—memories of the first day we walked into Liberty as timid, little Freshmen, (well, some of us **were** timid) the planning and working on our coke sales and dances, and four years of almost continuous worrying over our financial situation, which at times was almost complete poverty.

Maybe some will remember our Senior year as the year we ordered the rooter's caps and finally succeeded in selling them to the Student Body; others will remember it as the year they really started worrying about whether they would graduate or not, and still many more will remember it as a year packed full of fun.

Leonard Celoni, through his many efforts as our class president, helped to make our Senior year successful and worthwhile. Genne Smith's job as class secretary must have been trying at times (especially when we all talked at once), but she filled her office with accuracy. Jesse Baker, treasurer, didn't have much money to "treasure," but she always kept the books up to date. Paul Urenda, vice-president, and Emma Phelps, Student Affairs representative, quite capably filled their offices. We can say too, that Joe Fernandez always set up the chairs for meetings.

Most of all, we of the Senior Class would like to thank Mrs. Cross for the patience, understanding, and willingness with which she put forth her efforts in advising our class.

## SIDE GLANCES

Scenes like these are typical of the work and functioning of the school and classroom. We have here only a sampling of the many aspects of school and school life.

1. Betty Boring jots down data as Rufus Hurst locates "faraway places."  
 2. Part of the Lion's Roar staff are engaged in big plans. 3. Peeping through keyholes is the best way to get news hot off the griddle, as demonstrated by these reporters and the editor himself! 4. No, this isn't from the Chemistry room; it's George Doneux, the photo editor of the Annual Staff, at work in the dark room. 5. Standing in the sawdust is John Miguel using the table saw out in the Shop as Mr. Schuttish looks on.

1. Clothing III looks simple here as the beginnings of this dress are inspected by this nimble fingered seamstress, Athens Papadakos. 2. Welding is just one of the many processes learned in the Ag Shop. Masks must be worn to protect eyes from intense flashes. 3. Gil Ellison looks as if he's mastered the broad jump—now to beat the record. 4. The boys in F.F.A. raise "contented cows," but here we have a grumpy looking Hereford. 5. Mr. Callaghan's Senior Problems class doesn't always discuss problems as one can easily see. 6. The fair sex is now given opportunity to join the Rifle Club. Mr. Ostrom, instructor, shows how as Edna watches.

1. One of the many odd jobs assigned to the office girls, that of mimeographing the day's announcements, is shown by Sonya Miller. 2. It must not be a time test; these girls in Typing II class look too relaxed. 3. Craft students, during the course of the year, are taught, among other things, how to work with leather, shells, metal and wood. 4. We wonder if it's always this quiet when students in Clothing II class get together. 5 and 6. The Home Economics department teaches gals what's what around the home. Home management girls are careful to chase every speck of dirt in the Girls' League room, here, while in Foods the girls prepare to pop cookies into the oven.

## PEEP SHOW

1. Hey there! 2. Oh, my aching back. 3. Can-Can girls. 4. Our kid brothers make with the voice. 5. Beware this mad musician. 6. Just three silly dames. 7. Another mad man. 8. ## ANNUAL STAFF

The Annual Staff has finally found time to pause for a moment to have our picture taken. Our first big success was the Sadie Hawkins Dance, and under the leadership of an excellent editor and adviser, we have worked together to make the '49 Annual a big success. We hope that it will provide for you a treasure of cherished memories in years to come.

## Student Affairs

The presidents and representatives of the groups in our school make up the body called Student Affairs, who literally discuss and take steps to help the affairs of the students. This year highway safety measures, entertainment at Student Body meetings, and many other worthwhile accomplishments were successfully attempted for the benefit of the school.

This year they undertook to sponsor a honor roll which grants certain honors upon those people having an average of B+ or better. This group had an enjoyable social year including a bang up party for the football team and a delightful trip to Mills College.

## Judiciary Committee

We wish everyone realized that this committee is made up largely of students, not teachers, and that they are interested in insuring your rights and privileges by giving you fair chances. They don't look as if they'd bite your heads off, do they?

### JUDICIARY COMMITTEE

Bottom row, left to right: J. Fortner, L. Reed, R. Willis, S. Miller, Mrs. Soderstrom. Second row: A. Morse, J. Ellison, P. O'Brien. Top row: Mr. Ostrom, Mr. Noble.

## Newspaper Staff

The Liberty High Journalism Club was composed this year of newspaper staff members only. Besides successfully publishing the LIONS ROAR twice a week, the group sponsored the "Casaba Cavalcade" and thus earned enough money to buy 2 new typewriters. The club plans to expand next year.

## G. A. A.

The Girls Athletic Association is a group of girls who are interested in sports. With the aid of Miss Beemer they meet once a week to play seasonal sports, tennis, folk dance or tumble. Their season, as usual, was full of its share of parties which were made possible by their "coke and candy" sales and their annual turkey raffle.

### G. A. A.

Top row: M. Reynolds, P. Long, J. McCall. Seated, top row: J. Reynolds, J. Ballard, D. Martin, J. Fortner, B. Robbins, D. Clark, M. Lundsford, M. Pato, L. DeBorba, M. Pastor, G. Grande, A. ### GIRLS' LEAGUE COUNCIL

This is the group who plan the Mother's Tea, Hi Jinx and the money raising activities for the Girls' League. "Refresher Courses" are held with other Girls' League councils at county meets.

## FUTURE HOMEMAKERS OF AMERICA

The F.H.A. is a group of girls who are interested in putting what they have learned in the homemaking department to practical and pleasant use. This year they have been quite busy cooking and serving for various events, as well as modeling their garments at the Mothers' Tea. The busy program certainly kept the officers busy planning all the time.

F. H. A.

Bottom row: B. Bennett, G. Firpo, H. Walker, M. Swicegood, M. Sacchetti, H. Roza, M. Tarango, B. Clearwater. Second row: Mrs. Somerhalder, D. Clark, A. Morse, S. Williamson, B. Beard, B. Colburn, C. Pombo.

## FUTURE FARMERS OF AMERICA

A field trip, Cow Palace Exhibitions, Greenhand initiations and banquets are some of the rewards for these young farmers who spend time and effort in learning the mechanics of farming. A Future Farmer at Liberty can usually be singled out by his blue and gold jacket bearing the words, "Brentwood Chapter."

## DRAMATICS CLUB

Oh no, they're not from Hollywood, but they could very easily be. These distinguished looking people are the actors and actresses of Liberty! Under the leadership of Pat O'Brien as president and Miss Ganton as the new advisor, the club has worked hard to make our Student Body play the big success that it was. Hats off to Liberty's Dramatics Club!

### DRAMATICS CLUB

Bottom row, left to right: B. Robbins, B. Bennett, L. Rogers, G. Firpo, C. Carpenter, B. Clearwater, M. Garcia, J. Kirkpatrick, B. Boring. Second row: E. Knauss, C. Fertado, L. Carlyon, P. Rennels, J. Fortner, B. Beard, D. Roberts, B. Colburn, A. Arhontes, N. Nielsen, F. Seeno, B. Rennels, P. Ball, V. Bevill. Top row: G. McKinney, D. Martin, J. Rodgers, B. Shellenburger, D. O'Brien, P. O'Brien, D. LaCourse, R. Nunn, D. Anderson, M. Lindorf, Miss Ganton.

### STUDENT BODY PLAY

"Uncertain Wings," the 1949 student body play, was presented May 12th and 13th and was laughingly received by the fun loving audiences. Marvin Lindorf, who later took Pat's place, Diana Roberts, and Bonnie Robbins as well as the other members of the cast performed delightfully in this teenage farce. Dave Anderson and Due LaCourse did a fine job of stage managing and set making.

## RIFLE CLUB

Until this year the Rifle Club was composed of boys only, but when certain girls discovered that they might join they immediately prepared to begin the year with the rest of the group. "Artillery Junction" was the name of the dance sponsored by Mr. Ostrom's sharpshooters in the spring.

### RIFLE CLUB

First row: L. Rogers, E. Bettencourt, F. Ellison. Second row: Mr. Ostrom, C. Laird, D. Martin, J. Miller, J. Fortner. Third row: D. Schwitters, H. Armstrong, G. McKinney, G. Carlyon, L. Thomas. Fourth row: R. Oden, T. Slatten, L. Reed, J. Arhontes, J. Torres.

### CADETS

Left to right: J. Ellison, J. Wilkins, S. Wilson, S. Bristow, O. Reece, M. Barbee, D. Schwitters, L. Reynolds, T. McCormack, B. Pasley, G. Sawtel, C. Linn.

## CADET CORPS

The Cadet Corps is composed of twelve members who meet as a regular class with Mr. Ostrom, instructor, and James Ellison, Lieutenant to drill, practice target shooting, and to read maps. Notice the orderly formation and the neat appearance the uniforms give the corps as the boys drill. The small group has earned recognition and achieved much during the year.

## BAND

Nifty uniforms, capable majorettes, good formation, and excellent performance are the results of Mr. Noble's untiring efforts to make Liberty's band a band to be proud of! It played on several occasions, among which were the games, the Oakley Parade, and the annual Spring Concert.

### BAND

Bottom row: G. Smith, P. McKnight, A. Sargenti, M. Garcia, S. Miller. Second row: J. Ellis, H. Martinez, N. Miguel, M. Tarango, S. Wilson, B. Masters, B. Borning, G. Ditmars, V. Long. Third row: J. Ballard, B. Probst, F. Perko, A. DeJesus, D. VonderAhe, D. Connally, F. Campigli, E. Bacchini, F. Garcia, L. Stemler, B. Shellenberger. Fourth row: Mr. Noble, B. Roofe, B. Hanson, L. DeBorba, R. Garner, J. Furtado, J. Sales, D. Cecchini, B. Pasley, E. Zamora. Top row: J. Landrum, D. Kirkpatrick, G. Trammell, J. Gilbert, C. Campigli, R. Garner, H. DuBois, J. Bristow, R. Crowell.

This perfect "L" looks quite simple, but it's hard to imagine the careful planning and long practice necessary to achieve what's just right. The majorettes, too, must think and act quickly.

## SPANISH CLUB

Habla usted el Espanol? (Do you speak Spanish?) If so, you're eligible to join the Spanish Club. This "brand new" club planned a few activities this year, but its members are eagerly looking forward to next year, when they will be able to carry out more of their plans.

### SPANISH CLUB

Bottom row, left to right: B. Bennett, G. Firpo, J. Fortner, A. Arhontes, B. Clearwater, D. Furi, M. Bishop, J. Cooper, L. Reed, C. Carpenter. Second row: F. McCall, B. Beard, V. Bevill, N. Pastor, P. Brazier, J. Ligon, Miss Lavers, L. Vasquez. Third row: L. Pastor, M. Pastor, G. Grande, D. Tipton, B. Tyer, R. Nunn, B. Pomeroy, G. Mendoza. Top row: D. O'Brien, M. Lindorf, D. Anderson, F. Cassassa, J. Harwell.

### MUSIC CLUB

Bottom row: L. Carlyon, B. Bennett, G. Firpo, J. Fortner, M. Sacchetti, A. Arhontes, A. Morse, F. Seeno, A. Papadakos. Second row: J. McCall, B. Beard, B. Shive, V. Bevill, N. Neilson, C. Carpenter, D. Simoni. Third row: E. Knauss, C. Fertado, K. Fernandez, P. Long, M. Reynolds, B. Bevill, L. Pastor, B. Campbell, B. Shellenger. Top row: Mr. Noble, D. LaCourse, J. Machado, F. Campigli, R. Garner, D. VonderAhe, C. Campigli, D. Cecchini, E. Bacchini.

## MUSIC CLUB

The music club is one of the newly organized clubs at Liberty. It was organized by students who were interested in getting together once every other week to listen to good music of all kinds. In the future the members of the club will attend concerts or musical comedies. We hope that this club will be of great enjoyment to those "music lovers" at Liberty.

## SPORTS ROUNDUP

The 1948-49 sports season got off to a roaring start this year as our fighting football varsity swept 5 straight league opponents into the dustpan of defeat and emerged with the EBCAL Championship. Graduating Seniors Len Celoni, J. W. Anderson, John Miguel, Paul Urenda, Frank Medina, and Ralph Patterson played inspired ball and bulwarked a strong Liberty team. Our new coach, Lee Walker did a grand job of smoothing out the offensive and defensive wrinkles and proved a tireless worker toward assuring the team's success.

Our A and B basketball teams were not as fortunate as the pigskin warriors. Emeryville and Livermore proved our undoing and cost us the championship. Our future looks bright in this sport however.

Coach Porterfield's track boys added more laurels as they triumphed over all opposition to go on and annex another EBCAL trophy.

Baseball, like basketball, found the boys building for the next year. Sophomore pitchers Harry Morse and Donn VonderAhe, and Junior Gene Campbell gained fine experience but the championship eluded us.

On other scoring fronts . . . Mr. Sutcliffe's scrappy J.V.'s won 6 out of 8, sent 4 men up to bolster the Varsity in mid season, gave 30 additional boys a chance to participate in the helmet sport and thus definitely proved the worthwhileness of its existence; Coach Porterfield and Miss Beemer successfully launched both boys' and girls' tumbling; the Junior class copped the interclass basketball championship and there was a flurry of interest in the formation of a permanent Tennis Club.

Although the season will not go down in history as a perfect one, still it did provide participation for more of our students than have ever had the chance to play competitively before. We are looking forward with great zest to next year.

## GIRL'S BLOCK L

When a girl wears a block L on her school sweater it means that in her years as a G.A.A. member she has earned at least 500 points. Although she doesn't have to play as hard as a boy to earn this award, she usually must participate in G.A.A. activity for at least three years.

### GIRLS' BLOCK L

Bottom row: B. Firpo, E. Pendry, B. Boring, D. Vilchez, H. Roza, D. Galvan, J. Miller. Second row: B. Andrews, D. Mikkelsen, C. Crist, O. Ochoa. Top row: J. Ballard, D. Martin, Miss Beemer.

### BOYS' BLOCK L

Top row, left to right: K. Cross, D. Kirkpatrick, F. Pastor, L. Bloomfield, E. Zamora, P. Urenda, C. Porterfield. Second row: D. VonderAhe, R. Hendrix, F. Medina, J. Wilkens, B. Shellenger, J. Dominguez, A. DeJesus. Third row: B. Pomeroy, L. Davis, M. Pedersen, H. Morse, R. Nunn, D. Anderson. Bottom row: E. Bacchini, J. Berumen, L. Celoni, J. W. Anderson, R. Patterson, R. Mello.

## BOY'S BLOCK L

The size of the Block L Club this year is a good indication of the number of boys interested in sports. The club was more active than usual this year. The G.A.A. Block L party was great fun, but we'll especially remember the Block L boys' performance at the fashion show. How could anyone forget their crazy antics?

## A TEAM

Top row, left to right: Coach Lee Walker, Ralph Patterson, Len Bloomfield, Bruce Soderstrom, Duke LaCourse, Dave Anderson, Len Celoni, Donn VonderAhe. 2nd row: Ronny Nunn, Gil Ellison, Jim Wilkins, Paul Urenda, J. W. Anderson, Loyal Davis. 1st row: Joe Dominguez, Jim Ellison, Gene Campbell, John Miguel, Mel Pederson, Dick Cecchini, Jess Berumen, Mel Berumen.

## VARSITY FOOTBALL

From a winless '47 season to a Championship '48 season is the story of Liberty's great football team. Tired of losing, the boys suddenly rose up in all their might and after slaughtering Emeryville and Livermore and slipping by Amador and CSD, wound up their perfect league year with a smashing win over San Ramon.

 The Jayvee football team came into its own this year and established itself as a fighting organization that will add laurels to Liberty's sporting crown for many years to come. Easy victories were pounded out over Rio Vista (2), Livermore, and Fairfield, and even sweeter victories were scored over Pittsburg and Mt. Diablo.

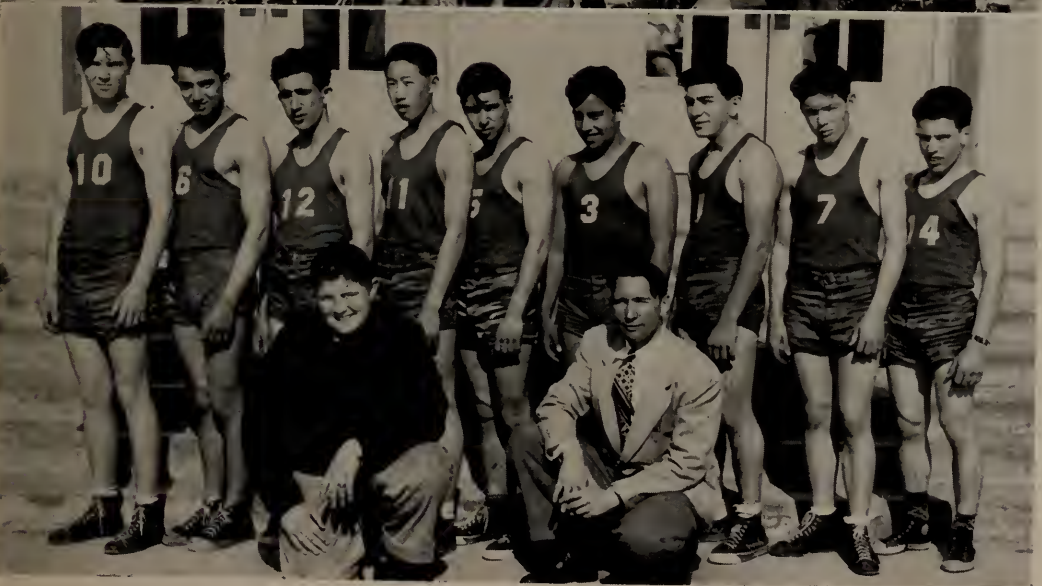

## A BASKETBALL

As in baseball, our "A" Basketball team spent most of this season getting ready for next year. Victories were few although in some cases individual performances were sparkling. Ed Zamora and J. W. Anderson made births on the All-league team while Ronny Nunn, Brent Pomeroy, Kenny Cross, Joe Dominguez, Frank Pastor, and big Duke LaCourse will be the backbone of next year's Champs.

## BASEBALL

Although our baseball team didn't win the championship this year, they gave evidence of real greatness next year. Coach Walker fielded a team composed mostly of Sophomores and Juniors, all of whom gained valuable experience. Next year we'll have 3 well-seasoned pitchers plus a strong hitting outfit. Chances for the championship will be very good.

### BASEBALL

## TRACK

Greatly encouraged by Coach Porterfield's enthusiastic help, over 50 boys turned out for track this year and, sweeping all opposition before them, racked up their 4th EBCAL title. Mel Pedersen set new school records in the pole vault and both A's and B's showered each meet with a sufficient number of first and second places to insure the championships.

### Miss Beemer's "Hobby"

What would a girl's day at school be like without P.E.? We need not list the many sports the girl's can enjoy, for most of the sports are well represented by the snapshots above. Besides playing during gym periods, girls played basketball and tennis at noon, and a tumbling club was formed.
